

MEMORANDUM

To: Parties to PSB Docket No. 7466 (EEU Structure Investigation)

From: Susan M. Hudson, Clerk of the Board

Re: VEIC Request to File Surrebuttal Testimony

Date: September 11, 2009

On September 9, 2009, Vermont Energy Investment Corporation ("VEIC") filed a request to submit surrebuttal testimony in the above-referenced proceeding. VEIC states that the filing of surrebuttal testimony will clarify issues for the upcoming technical hearings and enable the Board and parties to more efficiently address the disputed issues in this proceeding. VEIC states that it will agree generally to the same conditions included in the Vermont Department of Public Service's August 14, 2009, ("DPS") letter when it requested permission to file surrebuttal testimony.¹

VEIC's filing states that its request is consented to by: City of Burlington Electric Department; Central Vermont Public Service Corporation; Conservation Law Foundation; Green Mountain Power Corporation; International Business Machines Corporation; the DPS; and Vermont Electric Power Company, Inc.

Subsequent to VEIC's filing, the Group of Municipal Electric Utilities² and the Vermont Marble Power Division of OMYA, Inc. filed letters stating they do not object to VEIC's request. No other party filed comments on VEIC's request.

¹The relevant conditions were:

- that all parties have the right to file surrebuttal testimony;
- that the testimony address only issues raised in the rebuttal testimony;
- that the testimony be brief; and
- that the testimony not cause any delay in the scheduled hearing.

²The Group of Municipal Utilities include: Barton Village Inc. Electric Department; Village of Enosburg Falls Water & Light Department; Town of Hardwick Electric Department; Village of Hyde Park Electric Department; Village of Jacksonville Electric Department; Village of Johnson Water & Light Department; Village of Ludlow Electric Light Department; Village of Lyndonville Electric Department; Village of Morrisville Water & Light Department; Village of Northfield Electric Department; Village of Orleans Electric Department; Town of Readsboro Electric Light Department; and Swanton Village Inc. Electric Department.

The Board has asked me to inform you that it has granted VEIC's request to file surrebuttal testimony. A key consideration for the Board in granting the request was the fact that the request would not alter the scheduled hearing dates or delay the resolution of this proceeding.
